

## **GEOGRAPHIC INFORMATION SYSTEMS ANALYST**

SC Appalachian Council of Governments, Greenville SC

SC Appalachian Council of Governments, a regional planning agency serving the rapidly growing South Carolina Upstate region, seeks a full-time **GIS ANALYST** within the Information Services Department. (See [www.scacog.org](http://www.scacog.org) for information about ACOG.)

### **Responsibilities:**

- Develop and maintain GIS projects using ESRI ArcGIS software technology.
- Maintain web-based applications using Visual Studio.Net and ArcIMS.
- Program in Avenue to maintain and upgrade a customized ArcView application designed to support economic development decisions in the region (*InfoMentum*).
- Manage and complete custom mapping and GIS projects as submitted by clients. Clients include private residents, local governments, and local businesses.
- Provide ArcView, ArcGIS, and general GIS training and technical support for clients and ACOG colleagues.
- Research and write project proposals; Assist with grant proposals and reports.
- Provide GIS support for other Information Services Department functions as needed.
- Make presentations to supervisors, boards, general public, and applications users.

**Qualifications:** College degree in GIS, geography, planning, computer science, or closely related field. Position requires two (2) years working experience in geographic analysis using ArcGIS. Qualified candidate will have experience with ArcIMS, using Visual Studio.Net preferred. Experience in programming using VB.Net and VB, VBA, or C++ is a bonus. Familiarity with Avenue and AML also desired. Must have strong interpersonal skills and ability to communicate effectively orally and in writing.

**Salary:** Salary based on experience; entry level starts at \$36K. Excellent work environment and generous benefits provided. Position will remain posted until filled, beginning 6/22/06. (EOE)

### **Application Procedure:**

Submit letter of interest, resume, and references to:

Ms. Carol Andersen, Director of Information Services
